

Dear Member,

Greetings from the Institute!

The Institute is in the process of providing Digilocker facilities to empower members in accessing Institute documents anytime, anywhere and even on the go! To begin with, Identity Card will be soon made available.

As a part of the initiative, Institute requests all its members to update all their contact details and other information including scanned passport sized photograph (.jpg / .jpeg format only). Please do attach your scanned signature for making the change request as confirmation.

The process is as follows:

1. Login to your Membership Portal - <https://eicmai.in/MMS/Login.aspx?mode=EU>
2. Go through the Menu Item --> Membership Management -- > Request for Address / Photo Change.
3. Submit the form after entering the details required to be changed and attaching your latest color photograph.

Please do update by 30-November-2021 and help us to serve you better.

In case of any difficulty or clarification please write to [membership@icmai.in](mailto:membership@icmai.in)
